# TABLETOP RAISES \$6,000 FOR ADA JENKINS CENTER

On March 11, the North Mecklenburg Woman's Club held its first Over the TableTop event, highlighting extravagant tabletop displays created by the area's top designers. Supported by donations from Fifth Third Bank, Maestro Travel, Princess Cruises and GCG Wealth Management, the event raised more than \$6,000 for the Ada Jenkins Center.

Prior to the event at Birkdale Golf Club Pavilion, a team of creative professionals, including *Lake Norman CURRENTS* Publisher Sharon Simpson, judged the tables based on concept, creativity and execution. First-place winner was Starr Miller Interior Design's table, "My she was yar..." Second place went to the team of Lake Norman Home Staging and Divine Design Home Staging for its table, "Fountain of Hope." Third place went to KM Interiors for its table, "La Cage Aux Folles," and honorary mention went to "A Midsummer Night's Dream," a table by Interior Concepts by Wanda.

The North Mecklenburg Woman's Club has raised more than \$34,000 for this community this year and more than \$100,000 in the past four years. The group of more than 100 women volunteer throughout the community and award scholarships each year to women needing to return to school to better their lives.
