## Habitat ReStore ReStyle

Four years ago, Our Towns Habitat ReStore began a fundraising event to help show the community all that they offer. Local interior designers are challenged to redecorate rooms using just what they can find at the area's various ReStores, and this year's May 8 reveal was bigger and better than ever. The proceeds of the store and this event go to help Habitat for Humanity build homes for families in need. They were able to raise \$6,000 for their cause and this year they are working to support Our Towns Habitat for Humanity's Women Build program, which is constructing a home during the early part of the summer.
